Invitees to the 16th Japanese Research Fellowship Announced

Hakuhodo Foundation, a public interest incorporated foundation based in Tokyo, Japan, announced a list of researchers who have been invited to participate in the 16th Japanese Research Fellowship.

- **Invitees:**

After rigorous screening, 6 researchers were selected from France and USA. 2 researchers were selected in the Japanese language and Japanese language education research category, and 4 researchers in the Japanese literature and Japanese culture research category. Please see the attachment for more information about the invited researchers.

- **Fellowship period:**

September 1, 2021–August 31, 2022 (tentative / either long-term (1 year) or short-term (6 months))

- **Receiving organizations:**

National Institute for Japanese Language and Linguistics
International Research Center for Japanese Studies
The Japan Foundation Japanese-Language Institute, Urawa
Ochanomizu University
Kyoto University
Tokyo University of Foreign Studies
Ritsumeikan University
Waseda University

- **About the Japanese Research Fellowship:**

The Hakuhodo Foundation program invites leading international researchers to Japan. With the goals of further strengthening the fundamentals of international research into Japan and deepening understanding of Japan, the Japanese Research Fellowship invites leading international researchers of the Japanese language, Japanese language education, Japanese literature and Japanese culture to Japan to conduct residential research. Please refer to the Foundation's website for details.

* This program will end following the 16th Fellowship period.

Since our establishment in 1970, Hakuhodo Foundation has worked tirelessly to help children grow and develop rich human qualities through Japanese language education, educational support for deaf-blind children, and research into surrounding issues. Centered on the Hakuho Award, which was initiated immediately after our establishment to recognize exceptional practitioners of children's education, the Foundation engages in diverse activities, including the Research Grant for Child Education and the Teacher Development Scholarship, focusing on children, language, and education.
